

Space Program

I am ready to Launch!

I promise to pray and make a personal commitment to the Tomorrow Space Program and The Church @ 434. This is a decision I make to bless others as God has blessed me—and is a step of faith and obedience to give us the space we need to the things that God has called us to do in the future

I am making a 5 year promise. This covenant is between God and myself. I understand to move forward the church needs to know of my promise.

I will give....

Check the appropriate spaces and fill in appropriate blanks, please.

Review each option, you are encouraged to be generous in all four levels giving us the fuel we need to make the Space Program take flight!

_____ **Spontaneous Generosity**

I will pray over some specific designated areas and items to give toward and will give every single time God impresses my heart to add to what I am already giving.

It will be spontaneous.

_____ **Consistent Generosity**

I promise to give the following amount consistently to make the Space Program happen

\$ _____ is my consistent promise. (weekly/monthly)
